The people of the Dorking District present 'Whose Green and Pleasant Land?'

Created by Damn Cheek & Rosie May Jones
Commissioned by National Trust

A community-centred celebration of place,
people and possibility, combining music,
drama and spoken word.

This family friendly show is inspired by the
landscapes, heritage and communities of the
Surrey Hills. The pageant explores identity,
belonging, power, stewardship and social
justice.

It looks back at the forces that have shaped
our rural landscape while asking urgent
questions about its future:

*Who has shaped this land? Who has fought for this land?
Who is responsible for what comes next?*
